Website Rebuild — Client Information Requirements

Please complete all required fields before development can begin

Document Prepared By Rasekh	Date Issued May 25, 2026 Response Deadline
---------------------------------------	---

1. Hosting & Domain Access

We need access to your current hosting environment and domain registrar to migrate the site and configure the new build.

Item	Please Provide	Status
Domain Registrar	e.g. GoDaddy, Namecheap, Google Domains	Required
Registrar Login URL	Full URL of the registrar login page	Required
Registrar Username / Email	Login email or username	Required
Registrar Password	Current password — will be changed post-handover	Required
Current Web Host	e.g. SiteGround, Bluehost, HostGator, WP Engine	Required
Hosting Control Panel URL	e.g. https://yourcpanel.host.com	Required
Hosting cPanel / WHM Username	Login username for hosting panel	Required
Hosting cPanel / WHM Password	Login password for hosting panel	Required

2. Database Credentials

Required to access and migrate your existing content — profiles, blog posts, business listings, and city pages.

Item	Please Provide	Status
Database Type	e.g. MySQL, MariaDB, PostgreSQL	Required

Item	Please Provide	Status
Database Host	<i>e.g. localhost or remote IP/hostname</i>	Required
Database Port	<i>Default MySQL: 3306</i>	Required
Database Name	<i>Name of the WordPress (or existing) database</i>	Required
Database Username	<i>DB user with read/write access</i>	Required
Database Password	<i>DB user password</i>	Required
phpMyAdmin / Adminer URL	<i>If available — makes database inspection easier</i>	Optional
Database Table Prefix	<i>e.g. wp_ — from current WordPress install</i>	Optional
WordPress Admin URL	<i>e.g. https://prideofpakistan.com/wp-admin</i>	Required
WordPress Admin Username	<i>Admin-level WP login</i>	Required
WordPress Admin Password	<i>Admin-level WP password</i>	Required

3. Email & Newsletter

Needed to configure transactional emails, newsletter signup, and automation flows.

Item	Please Provide	Status
Mailchimp / Email Provider	<i>e.g. Mailchimp, Klaviyo, Brevo, MailerLite</i>	Required
Email Provider Login URL	<i>Login URL for the newsletter platform</i>	Required
Email Provider Username / Email	<i>Login credentials</i>	Required
Email Provider Password / API Key	<i>API key preferred over password</i>	Required
Existing Subscriber List	<i>Export as CSV if migrating existing subscribers</i>	Optional
Transactional Email Provider	<i>e.g. SendGrid, Mailgun, SES — for form confirmations</i>	Optional
Transactional Email API Key	<i>API key for the transactional email service</i>	Optional
"From" Name for Emails	<i>e.g. Pride of Pakistan</i>	Required
"From" Email Address	<i>e.g. hello@prideofpakistan.com</i>	Required

4. Third-Party Integrations & API Keys

Please provide login access or API keys for each service currently in use, or which you want connected.

Item	Please Provide	Status
Google Analytics 4 Property ID	Format: G-XXXXXXXXXX — or grant access to ga4admin@youragency.com	Required
Google Search Console Access	Add ga4admin@youragency.com as owner, or provide login	Required
Google Maps API Key	Required for business directory location maps	Required
reCAPTCHA Site Key	For spam protection on forms — or we will generate	Required
reCAPTCHA Secret Key	Paired with site key above	Required
Social Media — Facebook Page URL	Full URL of your Facebook page	Optional
Social Media — Instagram Handle	@handle	Optional
Social Media — X / Twitter Handle	@handle	Optional
Social Media — LinkedIn Page URL	Full URL	Optional
Social Media — YouTube Channel URL	Full URL	Optional
Payment Gateway (if needed)	e.g. Stripe, PayPal — for paid business listings	Optional
Payment Gateway API Key (Public)	Publishable / public key	Optional
Payment Gateway API Key (Secret)	Secret key — handle with care	Optional

5. Content & Brand Assets

Design and content assets needed before visual work can begin. If files are large, a shared Google Drive or WeTransfer link is fine.

Item	Please Provide	Status
Logo Files	SVG preferred; also PNG with transparent background (multiple sizes if available)	Required
Brand Colour Palette	Hex codes if defined — e.g. #1A6B3C, #FFFFFF	Required

Item	Please Provide	Status
Approved Fonts	Font names and where licensed — or confirm we choose	Required
Hero / Banner Images	High-resolution (min 1920px wide) for homepage hero	Required
About Us / Mission Text	Final or draft copy for the About section	Required
Contact Details	Phone, email, address, WhatsApp (if used)	Required
Social Media Links	All active social profile URLs	Required
Sponsor / Partner Logos	For the logos strip — PNG with transparent background	Optional
Pride Awards Logo / Branding	Separate identity if it exists	Optional
Existing Stock Image Licences	Any paid Shutterstock / Getty credits or subscriptions	Optional

6. Pride Awards & Events

Information needed to build the awards section and nomination workflow.

Item	Please Provide	Status
Awards Categories	Full list of award categories for this cycle	Required
Nomination Open / Close Dates	When nominations open and close	Required
Event Date & Venue	Date and venue name/location — or TBC	Required
Past Winners Data	Spreadsheet or list of previous years' winners	Optional
Judging Process Description	Brief overview of how winners are selected	Optional
Awards Sponsorship Packages	Tiers and pricing if sponsors will be recruited via site	Optional

7. User Accounts & Roles

Needed to configure who can approve profiles, manage listings, and publish content.

Item	Please Provide	Status
Primary Admin Name & Email	Main administrator — will receive all system notifications	Required

Item	Please Provide	Status
Secondary Admin Name & Email	<i>Backup admin, if applicable</i>	Optional
Content Editor Name(s) & Email(s)	<i>Staff who will publish blog posts and manage profiles</i>	Optional
Profile Approver Name(s)	<i>Who approves submitted profiles before publishing</i>	Required
Business Listing Approver	<i>Same as above, or different person</i>	Required
Two-Factor Authentication Preference	<i>SMS / Authenticator App / None — for admin accounts</i>	Required

8. SEO & Analytics

Existing SEO work should be preserved during migration. Please provide the following.

Item	Please Provide	Status
Current Sitemap URL	<i>e.g. https://prideofpakistan.com/sitemap.xml</i>	Optional
Existing Redirects List	<i>Any known URL redirects that must be preserved</i>	Optional
Google Search Console Verification	<i>Grant access or provide HTML verification tag</i>	Optional
Bing Webmaster Tools Access	<i>As above</i>	Optional
Preferred Site Title Format	<i>e.g. Page Name Pride of Pakistan</i>	Required
Default Meta Description	<i>A 155-character fallback description for pages without one</i>	Required
Target Keywords / Phrases	<i>Top 5–10 priority keywords if known</i>	Optional

9. Legal & Compliance

Required for GDPR, cookie compliance, and terms of use across the site.

Item	Please Provide	Status
Registered Business / Org Name	<i>Legal name as it should appear in legal pages</i>	Required
Registered Address	<i>Full address for Privacy Policy and terms</i>	Required
Company / Charity Registration Number	<i>If applicable</i>	Optional

Item	Please Provide	Status
Privacy Policy — Draft or Existing	<i>Provide document or confirm we draft from template</i>	Required
Terms & Conditions — Draft or Existing	<i>As above</i>	Required
Cookie Policy Preference	<i>Opt-in banner / Implied consent / We decide</i>	Required
Data Retention Period	<i>How long user-submitted data should be stored</i>	Required
GDPR Data Controller Contact Email	<i>e.g. privacy@prideofpakistan.com</i>	Required

10. Project Timeline & Key Contacts

Helps us plan sprints and know who to contact for decisions and approvals.

Item	Please Provide	Status
Target Launch Date	<i>Hard deadline or preferred go-live date</i>	Required
Key Milestone Preferences	<i>e.g. design sign-off date, content freeze date</i>	Optional
Primary Point of Contact	<i>Name, email, phone — for day-to-day communication</i>	Required
Design Approver	<i>Name and email of person with final design sign-off</i>	Required
Technical Sign-off Contact	<i>IT / technical lead on your side, if different</i>	Optional
Content Migration Contact	<i>Who will liaise on profile / blog data handover</i>	Required
Preferred Communication Channel	<i>e.g. Email / Slack / WhatsApp / Project tool</i>	Required
Meeting Availability / Time Zone	<i>Best times and time zone for calls</i>	Required

Additional Notes

Please use the space below to note anything not covered above, existing integrations, known site issues, content quirks, or specific concerns about the migration.

Security & Confidentiality

All credentials shared with us are treated as strictly confidential and stored in a password manager. We will never share access with third parties. We recommend:
